# **Annual Gym Membership Registration**

**Make an investment in your child's physical development.**

**Be an Annual Gym Member for as little as \$25 a month!**

- Playing at Balls of Fun allows your child to learn physical skills that are necessary for growth and development. Being active on a regular basis also teaches that being active is a lifestyle.
- Studies show that a child who is more confident in their physical abilities brings that confidence to other subject areas in school.
- Many children still shy away from gym class and participating in front of their friends. Developing necessary physical skills, and ball skills, with your child may allow your child to feel more comfortable in front of their peers in gym class, at recess, and on sport teams.
- We are also an over scheduled population. Being an Annual Gym Member does not mean that you have to stick to a certain time; just be active as often as you like, when it fits your schedule. With our over scheduling, we are also spending less time with our children. They are at school most of the day; then they join another instructor for gymnastics, swimming, dance, etc...
- However, at Balls of Fun you get to spend quality time with your child. You get to be a part of their physical development. You get to encourage their physical successes and work on their abilities. Being an Annual Gym Member is an inexpensive active option for your child. Be a member today!

**Child-Fitness Tax Credit:** Yes, you can write off your child's Annual Gym Membership. You will receive a tax receipt on the date of registration. You can write off up to \$500 per child, per year. So get the kids active!

**Annual Gym Membership Bonus:** Being an Annual Gym Member includes admission to the Balls of Fun Annual Holiday Parties, free admission to birthday parties, and \$10 off summer gym camp (per week).

**Terms and Renewal:** The annual gym membership is for 12 months, from the date of purchase. If the annual membership is renewed within a month of the expiry date, a \$20.00 savings will apply. The annual membership may not be cancelled and no monies shall be returned to the member once the membership has been purchased.

**Balls of Fun Rules:** The parent, guardian and child shall abide by and observe the facility rules and regulations.
